Standard Packaged Solution (ie. Minimum items to be purchased)

Cost Item	Unit Cost (\$)	Unit	Quantity	Subtotal (\$)	Qualifying Cost * (\$)
1) Software Software / Subscription fee per property/ project (e.g. 1 commercial building, 1 office space, 1 retail space, 1 MCST) e.g Subscription (unlimited user)		per month	12.00		
2) Hardware Really is a web-based platform. There is no additional hardware required. Any computer device (e.g. laptop, desktop, handheld device) with a web-browser (Chrome Browser recommended) and internet connection is able to use the Really platform.		per device	1.00		
3) Professional Services The Really solution is as simple as it requires only some initial professional services for the setup and customization. All the required information (e.g. property details, users, approval matrix, workflow) would be provided from your side to our professional services team. The Really Team is there to do ALL required setup for you.		per package	1.00		
4) Training The Really solution is designed to be very simple and easy to use. We usually conduct a one day workshop with training for new users. If there is a need for any more trainings, the Really Team is happy to conduct as many trainings as needed so that finally ALL users and stakeholders are able to benefit from the Really platform.		per manday	1.00		
5) Others The Really platform is an interactive and collaborative solution with various stakeholders besides you as Property and Facilities Managers. Stakeholders can be suppliers and contractors, managers, your customers, etc. All these stakeholders can use the Really platform for free. There is NO additional subscription or costs involved. You are also free to create the user accounts for your respective stakeholders.		incl.	1.00		
Total				\$ 49,200.00	\$ 49,200.00
